About CPF Floors

The House of CoreProof

CPF Floors was born in November 2019 with a bold vision: to transform the way we experience our spaces. It was founded by Marcelo Gavotti, an expert with more than two decades of experience in the flooring industry. In a surprisingly short period of time, our company has experienced extraordinary growth.

What sets us apart is not only the exceptional quality of our products, which range from laminate to Rigid Core Vinyl flooring, but also our ongoing commitment to innovation and excellence. At CPF Floors, we strive to exceed industry standards, and these values are the foundation of everything we do.

Our story is a story of core values: integrity, innovation and collaboration. In just three years, we have achieved notable milestones, and we look forward to the future and the exciting opportunities that await us.

At CPF Floors, we communicate in a professional yet accessible manner, highlighting empathy, commitment and innovation. We deeply value our dealers, who are essential collaborators on our path to mutual success. As we move forward, we will continue to work together to achieve exceptional results and leave our mark on the flooring industry.

Mission, Vision and Values
